# TEMP PROGRAMS FOR OUTDOOR DINING

In order to utilize on-street parking spaces in front of restaurants for dining, a business must submit the following information:

- Number of parking spaces to be used
- Provide a sketch site plan
- Comply with City guidelines – e.g. access to fire hydrants, loading zones, bus stops, etc.
- Applicants need letters of support from adjacent property owners and businesses and their property manager

Alternatively, restaurants can request conversion of parking spaces to Curbside Pickup & Delivery parking by contacting [cuong.nguyen@alexandriava.gov](mailto:cuong.nguyen@alexandriava.gov). Review existing zones online here: <https://www.alexandriava.gov/Parking>
